HOW TO BE A GREAT GUEST

01 The Amsterdam Cocktail Week is free to visit for everyone of legal drinking age.

02 Please note that some bars require a higher minimum age for entry.

03 All bars are different and all have different house rules. Make sure to respect them.

04 Some bars have a dresscode. Make sure to dress accordingly.

05 Some bars require a reservation and limited seating will be available for same-day reservations.

06 We remind you to enjoy alcohol in moderation.

08 Enjoy our non-alcoholic cocktails or drink water to stay well hydrated and balanced. Don't drink & drive (or bike).

09 Let a taxi take you home when you have enjoyed the cocktails a bit too much.

Amsterdam Cocktail Week celebrates the Amsterdam cocktail scene every year, and the people who make it extraordinary. In the city's cocktail bars, you'll discover signature serves created by some of the most talented bartenders in Europe. Enjoy your favourite classics, explore new flavours, and discover the craft behind bartending.
